—— *Pavia.*

7546. In Latin, on parchment: written and illuminated at Pavia in 1717 by Rocchus Maria Castelli: $9 \times 6\frac{7}{8}$ in., 8 leaves: with four full-page miniatures, illuminated borders, &c.

Licence from the University of Pavia to Bernardinus Mastini, of Valdagno in the territory of Vicenza, to practise surgery, 30 Jan., 1717; subscribed by the Chancellor of the University. The seal of the University, formerly attached, is wanting.

Presented, in 1913, together with nos. 7540 and 7558, by Mrs. Nathaniel Thayer, a letter from whom is inserted here.

March 29
Paris. 1913.

My dear Cunny

She told me you were collecting old medical diplomas & I hope you will think these worthy of your acceptance. I know that only two are really what you want but send them as

IN CHRISTI NOMINE AMEN.
